EDUCATION

Brigham Young University – Marriott School of Business Provo, UT
B.S. Finance Dec 2027

- GPA 3.75 / 4.00
- Relevant Coursework: IS 201 (*Information Systems*), FIN 400 (*Analytical Methods in Finance*), FIN 410 (*Investments*)

EXPERIENCE

Brigham Capital (*Student-led Investment Fund)* Provo, UT
Public Equity Analyst Sep 2025 – Present

- Analyzed 10-Ks, earnings calls, and macro trends across 30+ hours of research to form earnings growth views
- Built data-driven valuation tools (comps, DCF) to generate actionable investment theses across industry sectors

Simmonds Design *(Boutique Resort Developer)* Bountiful, UT
Sole Advisor & Consultant May 2025 – Aug 2025

- Built a comprehensive feasibility package, pro forma, debt amortization, and cash projections enabling lender funding
- Engineered a profit-maximizing model across five revenue streams, enabling data-driven resource allocation decisions

Prospera Growth Fund (*Private Equity Real Estate)* Lehi, UT
Private Equity Analyst Jan 2025 – April 2025

- Built a model integrating unit optimization, demand forecasting, and market absorption to drive investment decisions
- Modeled a 'tax benefits' analysis to quantify $1MM in credits and exemptions for a $20MM development

Iron Side Search, LLC (*Private Equity Search Fund)* Salt Lake City, UT
Private Equity Analyst Oct 2024 – Jan 2025

- Evaluated a nationwide nutrition consulting company's financial statements and presented findings to senior leadership
- Performed industry research to determine SWOTs, and synthesized findings into a simplified investment report

LRB Public Finance Advisors, Inc *(Municipal Consultancy)* Salt Lake City, UT
Public Sector Consultant Apr 2024 – Oct 2024

- Held sole responsibility for modeling economic impact study and creating 80+ page CDA reports for municipal clients
- Synthesized legal agreements, government data, and financial models into executive-ready client deliverables

Selected Project Experience

Thanksgiving Point Institute (Non-Profit)

- Built an $8B economic and fiscal impact model spanning 20 years of direct, indirect, and induced effects in Utah County
- Sole-authored a 47-page client report that was used to secure $20MM in state legislature grants for Thanksgiving Point
- The analysis enabled a $150MM municipal bond issuance, funding the expansion of seven buildings on campus

June 30th Municipal Reports (Cities of Clearfield, Draper, and Pleasant Grove)

- Automated the report creation process by implementing a standardized template, which the company still uses to this day
- Maintained ~$100MM in TIF payment models used by Municipalities and Stakeholders to steward public funds
- Created an 86-page summary of Clearfield City's economic growth initiatives, used by the city and public stakeholders

LEADERSHIP & SERVICE

The Church of Jesus Christ of Latter-day Saints Southwest England & Wales
Volunteer Representative/Humanitarian Volunteer Sep 2021 – Sep 2023

- Supported leadership of 130 volunteers across 20+ countries, conducting trainings and advising on operational strategy
- Mobilized an interfaith coalition to fill a 20-foot trailer of clothing and a pallet of supplies for the Salvation Army
